CCCS players selected for Super Y ODP camp

December 26, 2014

Congratulations to Alex Cruz and Jan Zermeno on their invitation/selection to the 2015 SUPER Y Olympic Development Program Camp.

The Super Y League Olympic Development Program (ODP) provides the players selected with the chance to train, compete, and interact with staff coaches from all three divisions of the NCAA. Hosted at IMG Academy, the players are exposed to specialized training in mental conditioning, nutrition, and the college recruiting process.

Held in conjunction with the IMG Cup in mid-March, the teams from the Super Y League ODP program compete against each other, as well as the top IMG Cup participants. The combination of the two events at one site creates an opportunity that attracts college coaches from around the country seeking to scout prospects for their programs.

- 99 SOL Black finalist at Disney Showcase Qualifier

September 3, 2014

After winning 2 games and losing 1 in the group play, the girls earn the "wildcard" spot in the semifinals, facing a strong Davie United team. Trailing down by one goal most of the game, the SOL forward scored with minutes left in regulation time and scored again right before the end of the first overtime period, making the team advance to the Championship game.

The Championship game also went in overtime and FKK (Florida Krush) scored with only seconds left before the end to win it 2-1. Congratulation to this special group of girls, their spot in the Final game earned them a guaranteed entry in the Showcase in December.

▪ U14 SOL Black: Finalist at President Cup

April 7, 2014

The girls played their hearts out in the semi-final. Down by 2 at halftime, they came back on the field and played an inspired second half, making it 3-3 and forcing the game to go in overtime. The entire 2 periods of overtime had to be played and the game got pushed to penalty kicks. They ended up losing, after 8 players of each team had to go and take a kick from the mark. The girls won the Consolation Final on Sunday to take 3rd place. Congratulation to a great group of girls!

- **SUN shines on Clay County 3v3 Challenge Sports Tournament**

January 7, 2014

This past weekend, Clay County Soccer Club hosted the 2014 Challenge Sports 3v3 tournament that encourages players from U6 to adults to play soccer in a unique format while having fun.

After the heavy rain last week ... many of us had serious doubts about this tournament.

However ... we caught a break.

Through Friday's cold temperature and strong winds ... Community volunteers, local students, Clay County Soccer Club and the Challenge Sports staff hustled to convert the fields in time for the weekend event. Their efforts and hard-work were realized by Sunday as the sun shined and the temperature climbed to 75 deg. You could feel the excitement as you strolled through the fields ... numerous youth games were in full-swing, parents cheered, younger siblings could be seen kicking a ball around and former high school friends re-united for bragging rights.

This weekend's tournament would not be complete unless we share a heart-felt story and true display of Sportsmanship ...

A participating U12 team was called Drew's Yellow Cards in dedication to one of their coaches that recently was killed in a car accident. Another team in the same age division, the OP Demons coached by Rick Prestridge learned of the team's loss and dedication. Coincidentally, both teams met in the Championship whereby the OP Demons won a spirited and well-played game by both teams.

After the game was over, Coach Rick Prestridge and his OP Demon players took their 1st place medals, signed the ribbon along with their team name and gave one to each of the Yellow Card players. Coach Prestridge spoke a

few minutes about how Drew's Yellow Cards played strong with great sportsmanship and character.

Afterwards, both teams went to the Challenge Sports flags and took a joint team picture.

There was not a dry-eye to be found from both teams and their families as they all dedicated the day to Coach Drew of the Yellow Cards.
